The Association has therefore requested the Government to absorb the following in AEE's/AE's who are working on deputation in G.H.M.C. on permanent basis.

Sl. No	Name	Designation	Date of joining in APSCRIC	Present working place	Date of joining at foreign service	Comm- unity

3. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad in his note dated 20.12.2007 has stated that on formation of GHMC by merging surrounding municipalities, the development of the merged Municipal areas to the level of erstwhile MCH area has become a herculean task on the shoulders of GHMC that too without the required Human Resources. To achieve this, GHMC needs Engineers. But, no recruitment has taken place for AEs/AEEs even though the GHMC has addressed the Engineer-in-Chief (PH) and Government requesting to allot more Engineers and no positive result has been forth coming. Also there are 48 vacancies of AEs/AEEs in GHMC and these are the vacancies based on the cadre strength for erstwhile Municipal Corporation of Hyderabad. If the cadre strength of GHMC is taken, the requirement of AEs/AEEs over and above existing working AE's/AEE's would be 251. Therefore, the GHMC is constrained to take the services of Engineers from other Departments and Corporations on deputation to take up Civil/Engineering works. The other one is the AEs/AEEs working on deputation need to be repatriated at any time, which is a threat to GHMC. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has therefore requested the Government to issue necessary orders for absorption of the above 6 AEE's/AE's of AP State Cooperative Rural Irrigation Corporation in GHMC on permanent basis.
